### PROFILE

Junior Full Stack Developer with over 4 years of experience in Frontend development, specializing in HTML, CSS, TypeScript, and Angular (up to version 18). Contributed to scalable, responsive solutions for clients like Iren, Moncler, Dainese and WindTreBusiness. Now transitioning into backend development, proficient in Java 8+, Spring, Spring Boot, Hibernate, and RESTful services. Skilled in SQL databases and API development, with a passion for continuous learning and problem-solving across the full stack. Ready for new challenges.

### WORK EXPERIENCE

#### Accenture
